

# Carl Hoffman (Class of 2012) Memorial Scholarship Application

A scholarship of \$1,000 will be awarded to one graduating senior planning to enroll in a community technical college or 4-year university. Additional consideration will be given to the applicant who is “undecided” in a field of study.

Sports played a vital role in Carl’s life, leading to lifelong friends and showing passion in everything he did. The applicant must be involved in at least *one* sport and give everything he/she has on and off the field. Carl was proud to be a graduate of Benson High School and showed his pride of the maroon and gold throughout his high school years. The applicant does not need to be the best student nor the best athlete, but should be positive, play to have fun, be inclusive, and exude school spirit.
