ONLINE APPLICATION FORMS: Please review the criteria for each scholarship listed in this packet. The **2024-2025 BHS Centennial of Education Scholarship Application Form** may be found on the District website at www.benson.k12.mn.us under Schools, Benson High School, Counselor's Corner. Download and save the BHS Scholarship Application to your own directory before beginning.

You may apply for as many of the scholarships as you qualify for, but remember that a **separate application form** and **letter of application is needed for each one**. In your letter, include the reasons you believe you are a good candidate to be awarded the scholarship, and how you meet the scholarship guidelines.

The correct GPA to be recorded on your application form is the 9-12 "Cumulative GPA" found on your transcript. (Do not use "year GPA" or "term GPA". Incorrect GPA's are crossed out on your application and corrected.) If you have questions about GPA, please talk to Jason Strand.

USE OF REFERENCES: Applications ask for names of references. Reference letters are not required for the BHS scholarships, but these people may be contacted in the selection process. Please procure permission before listing anyone as a reference. If letters of recommendation are required with any of your applications, common courtesy would be to assure ample time for those from whom you have requested these letters.
